

# VOLVO S1, S2, S3 ADAPTER COUPLERS

**LIFCO**  
HYDRAULICS & ATTACHMENTS

Volvo S1, S2, S3 couplers are also known as Bofors and Ackerman. Used on plate compactors, hydraulic rock breakers, shears, pulverizers or any other Excavator Attachment. Bolt-on or Weld-on styles available.

Weld-on style without bolt-holes (normally in stock) do not require the bottom surface to be machined perfectly flat. Any bolt-on style top mount normally needs to be milled flat (see Milled Flat Bottom Plate option below).

## SHIMS

1/16" Thick Shims  
1/32" Thick Shims
